

## **COOKIE NOTICE**

**Last updated:** 08 June 2026

GALAXY MOTION LTD (“Company”, “we”, “us” or “our”) makes use of cookies on its website at <https://linguent.com/> (the “Website”). This Cookie Notice sets out how we deploy cookies and similar tracking technologies on the Website. It covers what cookies are, which categories we use, why we use them, how long they persist on your device, and the options available for managing your preferences. Our contact details can be found at the end of this Notice.

We reserve the right to revise this Cookie Notice from time to time, whether to reflect updates to our cookie practices or to meet legal requirements. Significant changes will be highlighted on the Website. We recommend checking this page periodically for any updates. Where required by law, we will seek your consent before placing non-essential cookies on your device.

For any questions or concerns regarding our use of cookies or this Cookie Notice, you can reach us at: [support@linguent.com](mailto:support@linguent.com)

### **1. Cookies**

Cookies are small data files stored on your device (whether a computer, mobile phone, or tablet) when you visit the Website. They are commonly used to support website functionality, enhance performance, improve the user experience, and supply information to website operators.

Cookies can:

- First-party cookies, set directly by us via the Website, or third-party cookies, placed by external services we rely on (such as analytics or advertising platforms);
- Session cookies, which are temporary in nature and removed automatically when you close your browser;
- Persistent cookies, which stay on your device for a set period of time or until you manually delete them.

### **2. Types of Cookies We Use**

The Website uses a combination of essential and optional cookies. A summary of each category is set out below:

#### **a) Essential Cookies:**

- These cookies are required for the Website to operate correctly and support fundamental features such as security, user login, and page navigation.
- Because they are indispensable to the operation of the Website, these cookies are placed without requiring your prior consent.
- If these cookies are blocked or removed, certain areas of the Website may not work as intended.

**b) Optional Cookies:** Optional cookies are only deployed with your consent, unless applicable law allows otherwise. While not required for the Website to function, they help us deliver a better experience.

- **Performance and Functional Cookies:** These cookies store your preferences (such as language selection or saved login settings) and contribute to improved usability and overall functionality.
- **Analytics Cookies:** These cookies gather data on how visitors use the Website — for example, which pages are viewed, how long users stay, and which links are followed. The information collected is generally aggregated and anonymised and is used to evaluate and improve the Website's performance.
- **Advertising and Targeting Cookies:** These cookies help us show you more relevant content and advertisements tailored to your interests, and are also used to track and optimise the performance of our marketing activity.

### **3. Cookie Duration**

We are committed to responsible and transparent cookie practices that respect your privacy. The following describes the categories of cookies we use and how long each type remains on your device:

#### **(a) Session Cookies**

Session cookies are short-lived and are deleted automatically as soon as you close your browser. They serve to maintain your active session while you navigate the Website, allowing us to remember your actions across pages so that you can use the platform smoothly and securely without the need to re-authenticate each time.

#### **(b) Persistent Cookies**

Persistent cookies are retained on your device for a defined period following the closure of your browser. They store your preferences and login information so that returning to the Website is more convenient and personalised. We generally cap the lifespan of these cookies at 24 months, after which they will expire and be removed from your device automatically.

Through the combined use of session and persistent cookies, we seek to deliver a seamless and tailored browsing experience while maintaining our commitment to your privacy and data security.

### **4. Cookie Preferences & Consent Management**

- A cookie banner is shown to you on your first visit to the Website. This provides a clear opportunity to accept or decline optional cookies, along with a link to this full Cookie Notice.
- Your cookie preferences can be updated at any time, either through our cookie consent tool on the Website or directly via your browser settings.
- Declining optional cookies means we will not place them on your device; only essential cookies will continue to operate. Essential cookies cannot be switched off as they are necessary for the Website to function.

**Managing Cookies Through Your Browser:** Most web browsers allow you to view, delete, or restrict cookies, either selectively or entirely. Guidance for commonly used browsers is provided below:

- [Safari](#)
- [Safari Mobile](#)
- [Google Chrome](#)
- [Internet Explorer](#)
- [Firefox](#)
- [Opera](#)

To opt out of tracking by Google Analytics across all websites, you may visit: <http://tools.google.com/dlpage/gaoptout>.

## **5. Personal Data and Cookies**

Some cookies may collect personal data, including your IP address and information about your browsing behaviour. We handle all such data with the utmost care and in full compliance with applicable data protection legislation. For further detail on how we process and protect your personal data, please consult our Privacy Policy available on our Website.
